

Teen-Senior Connect

Tutoring in computer technology – across the generations

General E-mail Address: info@tsconnect.org www.tsconnect.org P.O. Box 3713, Rancho Santa Fe, California 92067

Session Eighteen

This Session's Emphasis: Getting directions, maps, and satellite images using Google Maps

Agenda

I. Distribute TS Connect Brochures

- We will distribute our brochures to those who did not receive them on the previous visit. We will emphasize the help desk e-mail.

II. Review Microsoft Word, E-Mail, Google Searching

- For those who have yet to establish e-mail accounts, we will establish Gmail Accounts.
- We will review basic e-mail skills.
- We will review organizing files and attaching files.
- We will review Google Searching and general techniques to navigate the Internet.

III. Use Google Maps to find directions

- We will discuss some practical uses of Google Maps.
- We will practice getting directions to and from a location.
- We will practice printing directions.

IV. Computer resolutions

- We will discuss what resolutions you have in the upcoming year regarding computers, and how TS Connect can help.

V. Questions

- We will answer any questions from previous sessions or today's session.
